C Dm G C
When everything is said and done, what's there left to do?
C Dm G C
Can we turn the clock back and make everything new?

C Dm G C
When everything is lost, Can we find our way again?
C Dm G C
Can we turn back the pages, Or have we reached the end?

[BRIDGE]

Am G
Time flies away on wings of lightning
Am
We cannot call it back
G Am
We cannot call it back

[1st repeat only] Am F Am C Am F Am C
[REPEAT BRIDGE]

C F G
We might not have tomorrow
C F G
And we can't go back to yesterday
C F G
So we'll learn, we'll love, and we'll forgive
C F G
And we'll hold on to every hour that we have together
C F G
Because I know there's a bright day coming for you and me
C F G
And we'll hold on to every promise we have
